Opera and Webmail

How to download and install Opera browser
How to set up the bookmarks for the HURT radio operators

- Go to **http://www.opera.com/download/**
- Click on **Download Opera**
- Click on **Run**
- Wait while Opera is installed
- If not already open, Click on the **Opera** icon ("**The Big Red O**")
- Go to **http://webmail.aditl.com**
- Click on **Bookmarks** and click on **Bookmark Page**
- Click on **Bookmarks** and click on **Manage Bookmarks**
- Locate **ADITL Webmail – Login**
- Right-click on **ADITL Webmail – Login** and click on **Properties**
- Change **ADITL** to **HURT** – this is to prevent confusion for the radio operators
- Click on **OK** to save the change; exit the **Manage Bookmark** page
- Go to **http://aditl.com/hurt/hurt-2009.html**
- Click on **Bookmarks** and click on **Bookmark Page**
- Exit **Opera**

That's it. You're pau
